Description

The Joie Trillo Group 2/3 Car Seat is a great high backed booster seat that's ideal for everyday use. It's still got smart features, such as a height-adjustable headrest and two pop-out cupholders.

The deep sides of the seat cover the whole body from head to hips, and the seat offers great side impact protection, and the seat is extremely padded for safety and comfort. There are even two tucked away cupholders in the front of the seat. The headrest adjusts to 7 positions to grow with your child.

Isofix connectors offer you peace of mind that the seat can be installed easily and securely, or if your vehicle doesn't have any connection points, you can use the standard 3 point seatbelt easily with the intuitive, integrated belt guides. The breathable fabrics are removable and machine washable for your convenience so you can keep them in top shape.

- Height adjustable headrest to grow with your child
- Install safely in seconds with ISOFIX connectors
- Side impact protection for additional safety
- Foolproof installation with coloured belt guides
- Ventilated seat for a cool and comfortable child
