### Description

**Revitalising moisture:** A highly effective, revitalising and moisturizing cream that leaves your skin soft and supple. Quality skin care All day long

**3 in 1:** This Crème is a combined face, hand and body cream, giving you more for your money and helping you save precious space on your bathroom shelves

**Light formula:** NIVEA non-greasy formula refreshes the skin with Vitamin E, which is quickly absorbed and works to moisturize your body, face and hands

**Product application:** Massage into the skin post-shower for maximum benefit. When using as a face moisturiser take extra care to avoid the eye area

**Everyday use:** For use with all skin types, whether that's oily, dry, or normal skin. This face, body and hand cream for men is skin compatibility dermatologically approved.
